Important Dates to Remember/Notes/Messages

- October 9.....Picture Retakes
- October 10.....No School (Teacher Work Day)
- October 16.....Report Cards
- October 17.....AR Party
- October 23.....Family Fun Night
- October 24.....GYSTC Field Trip

**AR PARTY:** Thank you Robert's mom for the candy corn & marshmallows! You may still donate the following if you're able:

**Fall M-Ms pretzels popcorn bottled water (8 oz)**

**MATH FACTS:** A second grade expectation is for math facts to be **memorized**. This means your child needs to give the correct answer to a flash card within 3 seconds (*no fingers!*). We use the computer program Math Facts in a Flash to practice, and are beginning to take timed fact tests known as the "MAD MINUTE". Please check the weekly envelope to review any timed tests. The goal is to complete 30 problems in 1 minute or less. A time will be written at the top of your child's test indicating how long it took him/her to finish. *Let's learn those facts!!*

**FREE ONLINE LESSONS:** Try this site from Family Literacy Groups at home for support with reading skills!
