

Kindergarten News

Mrs. Tarleton & Mrs. Archer

January 29, 2010

Dear Families,

Time flies when you're having fun!!! I apologize, but it is germ city in kindergarten. We are working hard to clean for germs in the afternoon as well as reminding the children to keep their fingers out of their mouths and noses during the day. We are also washing a lot of hands and discussing how to cover mouths and noses when coughing and sneezing. Keep working on sight words and reading at home. **Don't let sight words be the reason your child has to repeat kindergarten.**

Gator of the Week

Please return the Shelly News & estimation jar by Thursday (more

REMINDERS

Send in Book It forms for Jan. by the Mon.
Book Fair: Feb. 4th-11th
Mid Winter Break- Feb. 15th-19nd
Six Flag Reading- Due Feb. 26th

Congratulations!!!

60 Word Club!

100 Word Club!

Valentine's Day is near!!
Get busy making a Valentine box or bag. Bring it to school by February 11th.

Some students in the past have made their boxes look like spaceships or trucks. Use your creativity!!

We have 20 children in the class. To make writing and delivering Valentine's cards easier, please just have your child sign his/her name on each card. Then to deliver, the children just have to drop one Valentine in each box/bag. This really is the easiest for the kids and us. Remember when your child writes his/her name, he/she should only have a capital letter at the beginning.

(Practice makes permanent)

Service Learning Project

Next week each child will be writing a poem and preparing small bags of candy for Arbor Springs Staff, who do not have their own classroom. The children will then be delivering the candy and reading their poems. If you have any scrap ribbon, extra Hershey Kisses, decorative baggies, or fancy printer paper just send it in. Please do not go out and purchase these items. Only send them in if you have them at home already.

Thanks for your help!!

I can't wait to see the faces of the proud children when they write their poem and deliver their treat.
