

Download a Kidspiration™ library from the Internet

You can share a custom symbol library with another computer that is running Kidspiration by downloading the symbol library onto the local computer's hard drive.

****You can share Kidspiration libraries with Inspiration®****

1. Click on the Download link on the webpage.
2. Click Save.
3. Save in the location: [C:\Program Files\Kidspiration\Kidspiration Libraries](#)

4. Place in the library folder you want.
5. Click Save.
